In this issue of our newsletter:

LEMONS STRONGER THAN CHEMOTHERAPY

Lemon (Citrus) is a miraculous product to KILL CANCER CELLS. IT IS 10,000 TIMES STRONGER THAN CHEMOTHERAPY.

Why do we not know about that????

Because there are laboratories interested in making a synthetic version that will bring them HUGE PROFITS. You can now help a friend in need by letting him know that lemon juice is beneficial in PREVENTING the disease. Its taste is pleasant and it does NOT produce the horrific effects of chemotherapy.

If you can, plant a lemon tree in your garden or patio. How many people die while this is a closely guarded secret so as not to jeopardize the beneficial multimillionaires large corporations?

As you know, the lemon tree does not occupy much space and is known for its varieties of lemons and limes. You can eat the fruit in different ways: you can eat the pulp, juice press, prepare drinks, sorbets, pastries... The lemon is credited with many virtues, but the most interesting is the effect it produces on cysts and tumors!!! This plant is a proven remedy against ALL TYPES ALL TYPES OF CANCER!!!! Some say it is very useful in all variants of cancer. It is considered also as an It is anti microbial spectrum against BACTERIAL INFECTIONS AND FUNGI, EFFECTIVE AGAINST PARASITES AND WORMS, IT REGULATES BLOOD PRESSURE THAT IS TOO HIGH AND IS AN ANTIDEPRESSANT, COMBATS STRESS AND NERVOUS DISORDERS!!!

The source of this information is fascinating: it comes from one of the largest

manufacturers in the world, says that more than 20 laboratory tests since 1970, the extracts revealed that: It destroys the malignant cells in 12 TYPES OF CANCER, including colon, breast, prostate, lung and pancreas...

The compounds of this tree actually showed 10,000 times better than the product Adriamycin, a drug normally used chemotherapeutically in the world, slowing the growth of cancer cells. And what is even more astonishing: this type of therapy with lemon extract not only destroys malignant cancer cells but does NOT affect healthy cells!!!
